## Shop: the New Lotus Bleu

Lotus Bleu sent over some pics of their newly expanded boutique and design studio in Hayes Valley. Ever since Designing Mom Aya introduced the shop to me, I have been pining for every chair, slipcover, pillow and Madelaine Weintraub rug in there. My latest obsession are the super soft sleep sacks designed by IE Boutique (see bottom photo). If you are ever in Hayes Valley, this is a must visit...you'll go weak in the knees from all of the vibrant colors and patterns.

WELCOME! MY NAME IS CAT AND THIS IS A SPACE FOR CREATIVE MOMS TO UNITE...

above: some of the Designing Moms and our work. We invite you to come and be creatively distracted with us!
